Hiya Folks! -

Again you won't get my regular Sunday letter! - It seems that something is always interfering with my routine! This time I had to go on a trip again. - I was asked to go on one trip yesterday but refused. - An hour later this trip came up and I had no choice. But I really wanted this one.

This trip was to Algiers - a place I've heard a lot about but had never really gotten to see. Oh, yes, - I've landed here but never to stay to see it. - What I've seen of it is quite nice and the closest thing to an American City I've seen yet. Haven't had much chance to "sightsee" cause the little time I've had for my own has been mostly filled with catching up with my ice cream! -

A funny thing - today being the 13th - makes one year since I graduated and I remember thinking or wondering - one year ago - "where will I be one year from now?" - Well, the answer - "here I am"! - So what you say? - well, - I don't know either.

I'm due to return to the base tomorrow, so if I can, I will try to bring you up to date either tomorrow night or the next night - whenever time will allow. - Hope I have some more mail awaiting my return! - Bye for now - I'll mail this here at the Red Cross.

Lots of Love,
Frank
